## Message Reflection

In Romans chapter ten we see how our salvation is tied to the confession that Jesus is Lord. There are a lot of things, both living and inanimate, that can become our Lord if we give them that authority. It is right for us to take account of our lives, to see what we have placed in that position of supremacy, and to make that confession we find in Romans 10:9 as often as our lord is anyone or anything other than Jesus Christ our Lord.
