

Welcome to CAC!

We're glad that you have joined us this morning. We invite you to worship with us as we realign our perspective and remind ourselves of God's work in and around us. If you're new to CAC, please don't hesitate to contact us at cacharrisburg.org or visit us on Facebook.

CAC NEWS

Serving Makes Us Stronger: This has been a common phrase at CAC for years now, and it is something that we really believe as a church. I would love to hear the stories of how you all have been able to serve people over the last few months, and to compile them into a group. The immediate reasons for this will be so that I can pray for you and the people you are serving, and to encourage other people to serve in similar ways. It will also be good in the long-term for us to remember what it was like to serve in this season of social distancing. All of your stories will be kept confidential unless consent is given to share! Please email your stories to scott.th.kelly@gmail.com.

MISSION UPDATE – West Africa: Intercede for the approximately 50 million people at risk for hunger in West Africa. The pandemic has added to the problems of drought and insecurity in the region. A comprehensive lockdown in Africa is impractical if basic livelihoods cannot be secured; impoverished people will prefer the “lottery” of infection over the certainty of starvation. Intercede for Alliance ministries—including aXcess, Envision, and CAMA—as they work with churches to reach the poorest of poor with the love of Christ by offering practical assistance to those in desperate need.

Do you have a need: If you have any need, don't hesitate to contact us. We can be of support to our family in prayer and in tangible needs. Contact the office directly or use the website forms to reach us.

Message Reflection

In Romans chapter eleven, Paul is addressing how even with all of the difficult things he has shared about the people of Israel's relationship with God, they have not been rejected and replaced by Gentiles. Then, Paul paints this imagery of how the family tree has grown as Gentile believers have been grafted into the family of God. How does it influence your faith and relationship with God to consider that you follow in the lineage of blessing and promises of God through history?
