

Welcome to CAC!

We're glad that you have joined us this morning. We invite you to worship with us as we realign our perspective and remind ourselves of God's work in and around us. If you're new to CAC, please don't hesitate to contact us at cacharrisburg.org or visit us on Facebook.

CAC NEWS

MISSION UPDATE – WEST AFRICA: This is the beginning of the rainy season in the region. It is vital that farmers get a good harvest this year. Pray for good, regular rains. There are also some predictions that locusts from East Africa might come this way, which would be very destructive. Pray that this will not happen.

Reopening Plan: Our Leadership Team made the decision this week to begin in-person meetings again when Dauphin County enters into the green phase of the state reopening plan. Things will look a bit different and we will be communicating more details of the plan later this week.

Need for mowing and lawncare: Even though we are not currently meeting for worship at the church building, we need to continue the upkeep of our space to be a good neighbor. We have a mower, trimmer, and gasoline in the shed for volunteers to mow at their convenience. Please sign-up to take a week or two at <https://www.signupgenius.com/go/10c0a44aeac28a2f94-lawn1>

Do you have a need: If you have any need, don't hesitate to contact us. We can be of support to our family in prayer and in tangible needs. Contact the office directly or use the website forms to reach us.

Message Reflection

In Romans 12:9-21 Paul lays out what it looks like when someone lives as a Christian, and it deals almost exclusively with this idea of loving and honoring others well. In a season culturally where there is such a strong sense of divide, what would it practically look like for you to live in this kind of manner? What would it look like for you to practice genuine love, even with those who treat you poorly?
