## CAC NEWS

---

**MISSION UPDATE – UNITED STATES:** The COVID-19 pandemic will go down in history as a time when personal character was revealed across the globe. Pray that Alliance churches will reopen under the guidance of the Holy Spirit while biblically honoring government guidelines. Pray that every decision of churches and families will be made from a perspective of compassion and love for all. Pray also as people across the United States are involved in protesting racial injustice. Pray for wisdom from God and safety for all in each of these situations.

**Reopening Plan:** Our Leadership Team made the decision this week to begin in-person meetings again when Dauphin County enters into the green phase of the state reopening plan. Things will look a bit different and we will be communicating more details of the plan later this week.

**Need for mowing and lawncare:** Even though we are not currently meeting for worship at the church building, we need to continue the upkeep of our space to be a good neighbor. We have a mower, trimmer, and gasoline in the shed for volunteers to mow at their convenience. Please sign-up to take a week or two at <https://www.signupgenius.com/go/10c0a44aeac28a2f94-law1>

## Message Reflection

In Romans 13 Paul is teaching on what it looks like to be a Christian Citizen. He shares challenging words on what it looks like to be subject to civil authorities, but also talks about how God is the ultimate source of authority. Sometimes it is confusing to determine how to live, but Paul lays out clear advice on how to treat others. How can you work through civil authority for the advancement of justice and human good?
