## CAC NEWS

---

**MISSION UPDATE – SPAIN:** Intercede for an Alliance team whom the city has asked to run a day camp all summer to help immigrant children whose parents were unable to help their kids with schoolwork during the shelter in place and who need tutoring to catch up for next year. Pray for the reelected team leader and two others elected to lead the team in prayer.

**Welcome Back!** We are so happy to see everyone who has joined with us this morning. Please take note of a few changes since we last gathered together.

- Please leave two empty seats between you and the next family grouping.
- Please do not congregate in the lobby, café, or sanctuary.
- Please wear a mask on entry, exit, and during our time singing together.
- Children, age 6 weeks through just finished second grade will meet in the lower level through the entire worship service. They will not be asked to wear masks or social distance. If you would prefer to have your children stay quietly with you in the sanctuary, please feel free to do so.
- Please show grace and kindness to one another as we make adjustments. If you have concerns, don't hesitate to contact one of the elders.

## Message Reflection

In Romans 14 Paul talks about how we should not judge others over opinions or disputable matters. It is easy for us to see why Paul would need to address that then because of how often we see people do that exact same thing here and now. However, let's take a minute to not only reflect on how important it is that we do not make it our job to judge others, but how freeing that is. In the body of Christ we can have different opinions in regard to all kinds of things in life and still be unified around what is most important. Let's stop trying to force people to think like us, and focus on loving them.
