CAC NEWS

MISSION UPDATE – GABON: Please pray for Bongolo Hospital, where COVID-19 has arrived. Two Alliance international workers are sick with the virus, as is the Gabonese surgeon who is the hospital's assistant medical director. "This week, a 43-year man died in our COVID isolation unit and was the first person to die of COVID in our province," the Alliance team reports. "We count the people who enter the hospital campus through screening points, and last Monday there were 644. People are coming from all over Gabon to be seen because some other health structures aren't operating due to COVID." Because several nurses are currently ill, there are not enough nurses to see everyone. In addition, supplies are running low. Pray for healing as well as God's mighty provision during this time.

LAWN MOWING: If you're able to help with the lawn upkeep here at the church, please sign up to take a week by going to <https://www.signupgenius.com/go/10c0a44aeac28a2f94-lawn1> We have everything you need to do the job in the shed. Thank you for helping us maintain our building!

FOOD BANK SERVING: We have partnered with the Central Pennsylvania Food Bank to help them prepare Crisis Response boxes for our community. We will serve every fourth Tuesday from 5-7 pm at the Farm Show Complex. The next opportunity to serve is on July 28. You can sign up to participate at <https://www.signupgenius.com/go/10c0a44aeac28a2f94-food1>

To encourage and equip people to love God, love our neighbors, and share the gospel of Jesus Christ.

Message Reflection

In our passage this week we saw Paul unpack his calling and how that has played out in his life. And while we all have a different specific calling, we are all a part of the common mission of God's people to make disciples of all nations. How has God gifted and called you to be a part of that mission? How can you display the same kind of commitment and passion to that mission that we see from Paul? How can you be tempted to drift from the mission of God for your life, and how can you prevent that drift?
