## CAC NEWS

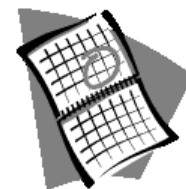

---

**MISSION UPDATE – EAST AFRICA:** Chris Brown asks for prayer for the Discipleship Making Movements conference the weekend of 20-21st. The event will be primarily taught by national leaders that have planted hundreds of house churches over the years in a culture where this method is highly needed and also has many challenges. This is a collaborative effort, with the East Africa Mission partnering with several organizations to bring Christian leaders together. The goal is that we would return to the Scriptures as the standard of our lives and conforming ourselves to it.

**HANGING OF THE GREENS:** Make plans to join us on November 23 at 6:30 pm as we come together to prepare the church for advent. Each family group will be assigned a space to decorate and provided with everything they need, Afterward, head downstairs for cookies, hot chocolate, and a Christmas carol or two.

**FOOD BANK SERVING:** Sign up to join us on November 24 from 5-7 pm as we pack for the Central PA Food Bank at the Farm Show Complex. Put a note on your Connection Card or use the online link from our weekly email.

## Message Reflection

Our mission is to encourage and equip people to love God, love our neighbors, and share the gospel of Jesus Christ. One of the opportunities that we have to share the Gospel is to get involved with and support the work of the International Workers seeking to advance the Gospel all over the globe. How has God gifted you to get involved with the work of missions?
