

Welcome to CAC!

We're glad that you have joined us this morning for our worship service. We invite you to worship with us as we realign our perspective and remind ourselves of God's work in and around us. If you're new to CAC, please don't hesitate to contact us at cacharrisburg.org or visit us on Facebook.

CAC NEWS

Missions Spotlight – UKRAINE: A new church was planted in a city that has experienced frequent attacks. During the first week since the church launched, the congregation distributed aid to 100 people and shared the gospel. Pray for safety and God's wisdom for this new work.

Missions Spotlight – UKRAINE: On Tuesday evening from 5-7 pm we will be packing boxes at the Central PA Food Bank. If you are available, sign-up through the link in our weekly email. We will pack about 300 boxes.

Baptism Celebration Next Sunday: Please join us in celebrating with those being baptized next Sunday morning. We will meet at Penn Colonial Pool beginning at 10:30 am. Bring along a chair if you have one as seating can get tight. We hope that you'll stay afterward for a picnic and open swimming. Please sign-up at the information table to bring a few food items to share! Our entire worship service will be held there that morning; there will be no services held at the church building.

25th Anniversary Celebration: We get to celebrate 25 years of God's faithfulness to our church family on September 10. Please join us that morning as we reflect in gratitude and worship. If you would like to help us plan, please make a note on your connection card.

Reflection

Undoubtedly, one of the most common refrains I have heard over the years goes like this: "For a long time I strayed from the Lord." Perhaps this was (or maybe even is) true of you. The truth is all of have wandered, whether for a long time or a little. As such, here are some questions relevant to us all:

- In what ways have you found yourself wandering from the Lord?
- Why is it important to reflect on who He is when we find ourselves wandering?
- Why is it equally important to reflect on the promises He has made to His people, when we find ourselves wandering?
