## CAC NEWS

**Missions Spotlight – GABON:** Please pray for the following requests from Bongolo Hospital staff:

- The electrical system--the local power company has been having technical difficulties, causing it to be unable to provide consistent power to this entire region of Gabon. Because of this, the hospital has had to use the backup generator much more than usual, which costs a lot for fuel and wears down the generator.
- The water system--there have been some issues with our station/hospital's water system which have caused us to have frequent water outages and low water pressure.
- Finances for the hospital--the Gabonese insurance company still hasn't paid their bill, making it hard for us to be place medicine orders and cover salaries. Pray for God's provision.
- Hospital leaders need wisdom and encouragement as they navigate these challenges.
- Teammates continue to have sick family members back in the United States.

**LADIES' BIBLE STUDY:** Later this week,, we will kick-off a ten-session study of the books 1, 2, & 3 John. Each session will meet 6:30-8 pm and will have homework to complete between sessions. Workbooks are \$25 paid to Sandra Rathbun. TODAY is your final opportunity to sign-up to take part.

## Reflection

Long before John, another prophet of God was given a glimpse of the throne in heaven. Isaiah, in the 6th chapter of the book that bears his name, shares what he saw and (importantly!) what he heard. Take a moment and read Isaiah 6:1-3. What did Isaiah hear? Why is this significant especially in light of Revelation 6 (and 4 and 5 for that matter)?
