CAC NEWS

Missions Spotlight – KOSOVO: Praise the Lord for a good young adults camp! It was a smaller group this year and a slightly less mature group as well, but many responded positively to the teachings and discussions about 1 John and the love of God. Pray for participants to continue reflecting on what they experienced over the weekend, especially for the two not-yet believers who spent time in community around the Word of God.

FOOD BANK: We get to help our community by serving at the Central PA Food Bank on August 25 from 5:30-7. Help us pack boxes to share with those in need. You can sign-up through the link in this week's email.

COMMUNITY ICE CREAM SOCIAL: We're looking forward to welcoming our neighbors for an ice cream night on August 19 from 6-7:30 pm. We want them to see the love of Jesus through the kindness we offer. You can help by serving that night, chatting with those who attend, and signing-up to contribute food for the night.

BACK PORCH CONVERSATION: Come to the Rathbun's on August 26 at 6:30 pm as we discuss Adam Ramsey's *Truth on Fire*. Alan will lead our discussion. You can sign-up this morning and begin reading any time.

Reflection

The wonders of our future ought to have an impact on how we're living day to day. It all comes down to where you've placed your hope. Hope is an "anticipation of something good." This is our greatest hope! Sometimes a personal inventory of what you place your hope in, will determine the quality of your life.

Do we put more hope in our financial status? More hope in the next vacation? More hope in our church life being more meaningful? The Apostle Peter set the record straight. "Set your hope fully on the grace to be given to you when Jesus Christ is revealed" I think this requires a daily commitment!!
