CAC NEWS

Missions Spotlight - INDONESIA: Pray for Indonesia, specifically the island of Flores, after the devastation of a 7.7 earthquake hit on August 15. Pray for the ongoing rescue efforts, provision of food and shelter, and for the love and comfort of God to permeate the suffering of those who have lost loved ones and their homes. Pray that the church would provide care, refuge, and relief for all those enduring the effects of the earthquake.

WELCOME CARDS: There are cards in the café that you can use to send a note of encouragement to Mark and Cristina in the coming weeks. Write the card and drop it in the box and we'll get it to them.

FOOD BANK: We get to help our community by serving at the Central PA Food Bank this Tuesday from 5:30-7. Help us pack boxes to share with those in need. You can sign-up through the link in this week's email.

Reflection

The essence of eternal life is knowing God, not just knowing information about God, but experientially knowing God through trusting Jesus. While this truly determines where we spend eternity after this life on earth is over, it also has tremendous impact on the quality of life we live here and now. Through knowing God, we gain access to share in His life. Do you want true joy and peace? Don't ask God to give you some. Get to know and trust God as He really is in all the circumstances of your life. When you do this, you don't just get a dose of peace or joy, you get to share in His infinite peace and joy.

This week, set aside some time to think about God and ask yourself questions like the ones below and other questions that help you to trust who God really is in every way.

- "What does it look like for me to trust God, knowing that He knows everything about me and still loves me?"
- "What does it look like for me to trust God knowing that He loves my coworkers and wants them to get to know Him?"
- "What does it look like for me to trust God, knowing that He is working for my good in my current circumstances?"
